Contend Earnestly

For The Faith

By Rococo Knight Min. The writer of the book of Jude admonishes us to contend earnestly for the faith which was once for all delivered unto the saints.

As his servants we must obey this simple command. The obedience considered in this statement involves: (1) the faith, (2) the finality of that faith, and (3) from it the deliverance.

Faith comes by hearing and hearing comes of the word of God. Rom. 10:17 in Eph. 3:1-7 we learn that the mystery of Christ has been written that we may have the same understanding did the apostles. The Faith is then simply that which is furnished in the scriptures. 1 Tim. 3:16.

That which God revealed unto his saints is complete as is seen in 1 Tim. 3: 16-17. The faith delivered unto the saints then, never needs addition nor subtraction. Rev. 22: 18-19.

The saints have this mystery given to their care. II Cor. 4: 13. Jude says unto us to contend earnestly for the faith.

This is done by his saints doing what God has commanded through his appointed institution, the Church.

Don Fishler Talks To Ev. USDA Club

D. C. T. Student

The Everglades USDA Club held its regular monthly meeting at the U. S. Fiber Laboratory, Belle Glade, with Dr. Douglas Wilson, president presiding. At the usual business transactions Don Fishler related experiences of his recent travels to the Republic of Ghana in Africa, and showed color slides to illustrate some of the places visited and interesting things observed. He found churches and schools there surprisingly well developed. There are 59 languages dialects in the country which made communication difficult, particularly in the bush country.

Mr. Fishler said that agricultural will be very primitive in practice with most work accomplished by hand and crude implements. Through ignorance, malnutrition and mortality were high, an average one out of 4 babies dying as infants.

Visitors present were Clarence Throop, entomology assistant at Canal Point, guest of J. B. Moore and Mrs. Burdette, secretary to Dr. Allison's, at Everglades Experiment Station. Its supervisor is Dr. James A. Winchester.

Robert's hobbies are bowling and playing pool, favorite sport is golf, favorite food shrimp.

More than 34,000 young Holstein breeders have participated in the program since its inauguration in 1923.

Two BG Boys Win Athletic Honors

Two former Belle Glade High School track stars are becoming athletic heroes at Troy State College. Troy, Alabama where they have led the Red Wave track team to three victories in four meets.

DeWight Ward is the team's outstanding quarter-mile with his best clocking a 52 second

flat 440. Additionally, Ward is a member of the crack Troy State mile-relay team.

His friend and teammate, Tommy Bass, has gained points in every meet with great running, mostly half-mile. His best time is this season, 50.

Coach Nicholas G. Costes, former United States Olympic team member, says "Ward and Bass are great athletes and will undoubtedly set track records at Troy State College which will stand for many years."

Building Fund Drive Underway For Carver Memorial Hospital

Carver Memorial Hospital of 400 Southwest Ninth Street, Belle Glade, has completed a fifty thousand dollar building fund drive to finance the construction of an addition to the present building. Carver Memorial is a non-profit, incorporated, ten bed hospital specializing in the care of maternity patients, minor surgery and outpatient care.

The addition will enlarge the hospital's services to include general surgery and pediatric care.

As more citizens seek private care, much of the burden and expense of providing health facilities for the public by the tax payers will be eliminated. General health care is improved when there is more of a choice of complete medical services available.

The Women Civic League of Belle Glade will present their annual Fashion Show Thursday night, April 18, 1963 at Lake Shore Elementary School, 18 o'clock p. m. The proceeds will be invited. Admission fee is one dollar. The proceeds will aid the Women Civic League to send deserving girls to summer camp at Piney Woods, Indiana and Memorial College, Saint Augustine, Florida. This is one of the league's annual projects.

The Civic League wishes a speedy recovery to their wonderful president, Mrs. Amelia Houston, who was recently hospitalized due to illness.

BG Inter-Racial

Council To Hear College President

Brinton G. Sayles, president of the Lake Shore Inter-Racial Council will be the main speaker at a public meeting Sunday, April 21 of the Belle Glade Inter-Racial Council in celebration of its 15th anniversary. Mr. Sayles was known as Mr. Glades, as principal of Oberlin High School and the new Lake Shore Elementary, also served as president of the Council for two years. He was called to be principal at Roosevelt High School in West Palm Beach just as the Lake Shore High School for which he had planned so diligently was completed.

Mr. Sayles will speak on "Strength of a Healthy Conscience" at a meeting at which the public is invited at 3 p. m. at St. John's First Baptist church, S. W. 8th St. and Ave. F, Belle Glade.

Other participating in the program will be Rev. E. B. Adams presiding, Mr. George L. Royals, Charles McCollum and the choral groups and band from Lake Shore High School.

It is hoped that many will take this opportunity to hear one of the outstanding educators of Palm Beach County.

Tennis Team Goes To Tournament

On Thursday and Friday, April 4 and 5, the tennis team was in West Hollywood participating in the Group Seven division of the Florida State Miami Norland, Hialeah, Fort Lauderdale, Seacrest and South Broward dominated the winning columns with Palm Beach, Lake Worth, Jupiter and Belle Glade facing defeat in the early rounds.

Even though the Belle Glade team did not produce any winning matches, they played a great deal of enthusiasm and desire. Merikay Mincey came through for Belle Glade's lone point in the tournament by defeating Palm Beach's number two player, Linda Lee, in the second round of the second elimination tournament. However, nation-ranked Chris Kouras from Miami Norland proved to be too much for Merikay in the second round and handed her a 6-2, 6-3 defeat.

Patti Wilkinson lost in the first round of the number one division to Fort Lauderdale's Linda McLean, 6-3, 6-1. Linda Rockwell, playing in the number three spot all season for the B. G. team, was beaten by Forest Hill's Carol Urban; Mary Kate Ponder, the fourth position, defeated Miami Norland's number four girl and Susana Wierengen also lost in the first round in the number five division.

Patti Wilkinson, the only senior on the team, had a good season and proved to be dependable in both singles and doubles positions for the team. Merikay Mincey, the number one for the team, played several excellent matches and earned a reputation of "being hard to handle" by her long matches. Incidentally, practically all her tournament two-out-of-three matches were the entire three sets.

Linda Rockwell proved to be the main consistency player on the team by holding the same number three position all season. She played in a couple of very close matches, losing by slim margins of 9-7 and 6-5 in eight games set. Linda is a freshman and is probably holding her own in the number two position for next year. Mary Kate Ponder, also a freshman, took the number four position for the latter part of the tennis season and did a good job with 11 wins and only 4 losses in the four in the first matches. Mary Kate shows a great amount of potential and should be ready for next season for a good showing. Susanna Wierengen, perhaps the most improved player on the team, took the number five position late in the season from Mary Alice McMillan. Sus is a sophomore and will most probably do a good job for the next few years.

Other players who have worked diligently and shown good promise for the team include Jill Chapman, freshman; Jane Wierengen, freshman; Suzanne Williams, sophomore; and Janet Horne, sophomore.

The interest in and enthusiasm for tennis at Belle Glade this year has been very gratifying and things should begin to look up in near future.

The Editor's Desk

During the past few weeks the RAM-PAGE has received a number of letters from former residents and readers of the HERALD from all parts of the country. We appreciate greatly these warm messages, and urge any of our former students to keep receiving the RAM-PAGE to let us hear from them it is always good to find out how distant friends are getting along, and we will try to recognize them as space permits.

This week we received a letter from former BGHS teacher Dale Tidwell who is now teaching in Cullman, Ala. He sends his best regards to all of the students and staff and his wife and extends his congratulations for our school's showing in the speech contest. He hopes to be in Belle Glade soon, and we are all looking forward to seeing our fine friend and teacher again.

Another letter came to our desk from former BGHS student Ken Rayburn (class of '59) who is now stationed in Pearl Harbor, Hawaii, under the US Navy. He extends a warm "Aloha" to all members of the student body and family.

Pat Fishler Wins State FHA Office

MISS PAT FISHLER, seated, was elected state secretary at the Future Homemakers convention held in Jacksonville recently. Attending as delegates with Pat were 1-r Judy Seller and Innes Ashley. Pat will attend an instruction class in Tallahassee in June and from there will go to National FHA Convention in Kansas City, Mo. in July.

The Invasion Of Flubber

Senior High Students are beginning won over to the greatest fad of the Junior High set—Flubber. This bouncing, clay like substance can be seen at any time in the hallways of the High. Many teachers have looked up with alarm from their desks to see students plumping about with Flubber sticking to their faces and bouncing around the room.

Teachers, in dazed amazement, wonder what has happened and if it will spread to the older students.

LIFE WITH DUDLEY DONAHUE

Teacher Of Week

This week's outstanding teacher is Mr. Joseph J. Hayes. He is one of the Junior Club sponsors and is a very busy teacher during the prom and banquet this year and in past years.

Mr. Hayes received his education from the Appalachian State Teachers College in North Carolina and taught at Belle Glade for the past three years. During these years he has won the affection and trust of the student body of Belle Glade High School.

Although his favorite color is blue, he never seems to be. Mr. Hayes always wears a smile on his face especially when he can afford his favorite food, which is steak.

Student Poll Results

The second student poll of the year was taken this past Wednesday and Thursday. The results of the nationwide interest were asked. Of the 375 students taking the poll, the results were the following:

1. Which do you prefer: Liberalism or Conservatism? Liberalism - 220; Conservatism - 155.

2. Can you identify Norman Rockwell? Yes 135; No 235.

3. Do you believe in recycling? Yes 103; No 267.

4. Favorite Song: "Moon River" - 59; "The Elephant Walk" - 59; "Theme from a Summer Place" - 72; "Theme from the Apartment" - 19.

5. Theme from Exodus: 60.

5. After graduation from high school do you plan to attend college? Yes 200; No 169.

The first question was answered with a few "I don't know's" and one person responded, "I'm a politician."

On the favorite song question, some replied that it was a hard choice.

Plans have been made for more student polls in the future.

I Need Someone

By Mary Lou Rauerson

I need someone;

For my heart is empty.

I need someone;

And men must love so must I.

Who could love me in return.

Upon whose breast I might cry.

I need someone.

Whom'd mourn if I should die.

I need someone.

Could that someone be you?

Oh, well, off to the math books.
